YOUR SPECIALIST ...

Represents a suite of quality Long Term Care solutions, from the nation's leading carriers and insurance companies.

TRANSPARENCY

Evaluating carriers side-by-side, with an open format, answers many questions and allows for making the best Long Term Care decision.

EXPERIENCE

With 15+ years of experience in the financial markets, which included Series 7 and private placement security licensing, Stephanie has the ability to navigate complex financial portfolios, lifestyles and medical issues; to coordinate with other professionals; and to design comprehensive long term care solutions.

EDUCATION COMMITMENT

Long Term Care education is Stephanie's first priority, whether working with individuals or helping companies expand their benefit packages to include Long Term Care coverage.

Through public speaking, strategic partnerships, engaging with employers, or reaching people individually, her goal is to educate—creating awareness and exploring opportunities for Long Term Care financial solutions.

RESOURCE FOR WOMEN

Women are disproportionately affected by long term care issues and, to that point, Stephanie is focused on having a positive impact on womens' lives, helping them *provide now, for a safer, more secure future.*
